

Cardify Brand Request

Before filling in the form below, please familiarize yourself with the guidelines in the T&C and the Cardify Brand website. Fill out this form if you are seeking approval for using the Cardify brand (including the logo, the Cardify product or the Cardify word mark) or if you're unsure if your request needs approval. We request that you complete the form once for each instance you're requesting to use the brand. Do not include multiple purposes in one application.

The application must be submitted in English and send to [brand\[at\]getcardify\[dot\]com](mailto:brand@getcardify.com)

What is your name?

What is the name of your company?

What is your email address?

Include any email addresses that you would like CC'd in our response, if applicable.

Which sector is your company active in?

Which region is your inquiry related to?

Which Cardify asset are you trying to use?

- Logo / icon
- Cardify brand name
- Cardify brand UI (screenshots of our website and/or app)
- Other: _____

Please tick the appropriate box.

Where do you want to use the Cardify name, branding, or UI?

What is the main language used in the asset submitted?

When will this asset launch? __/__/20__

Who is your primary point of contact at Cardify (if applicable)?

Final remarks

Please provide a PDF file that includes an overview of your request. It should include the project/production name, company name, screenshots/mocks for print or digital placements, and or relevant script pages for film/tv/video/music placements.

Please note: in order to use screenshots or footage of any third-party content, as well as thumbnails or personal details, you must get approval directly from the original content or account creator.
